CITY DIRECTORY ADVERTISING IS *National* ADVERTISING

★ Each edition of your City Directory is widely distributed to free-reference City Directory Libraries located at the Chambers of Commerce of hundreds of other cities.

Therefore your ad in the City Directory is seen by buyers from coast-to-coast

Please!

Do Not Lend Your CITY DIRECTORY

The practice of lending your City Directory, in a great measure, is responsible for the increasing cost of Directory Service.

The reason is:—

There is a definte cost involved in the making of the DIRECTORY of Your City.

THIS COST MUST BE ABSORBED BY THE SUBSCRIBERS — BE THEY ONE — OR BE THEY 1000.

If there were but ONE SUBSCRIBER to the CITY DIRECTORY — THE ONE SUBSCRIBER would of necessity have to absorb THE WHOLE COST.

If there were 100 SUBSCRIBERS — each one would hove to absorb 1/100th PART OF THE WHOLE COST.

If there were 1000 SUBSCRIBERS — each one would have to absorb 1/1000th PART OF THE WHOLE COST.

From which it is obvious that the GREATER the number of subscribers — the LESSER the cost to each.

It is also obvious that the LESSER the number of subscribers — the GREATER the cost to each.

Every time you loan your City Directory the LESS NECESSITY THERE IS FOR THE BORROWER TO SUBSCRIBE FOR THE SERVICE.

MORE BORROWERS result in FEWER SUBSCRIBERS which means INCREASED COST.

★

IT COSTS YOU MONEY Every Time It Is Loaned

★

—The Publishers

If you think your business is so good you don't have to advertise . . . you could be in trouble.

PROPERLY USED, YOUR CITY DIRECTORY IS ONE OF THE BEST SELLING TOOLS

VITAL INFORMATION AT YOUR FINGER-TIPS!

★

Tens of thousands of people who were formerly strangers to the City Directory are consulting it on questions of citizenship, employment, sources of supply, communications, etc. Also, Directory usage is up among regular subscribers.

Out of Sight--Out of Mind

☆ Out of Business ☆

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight. Insist on being well represented in its pages.

Features and Departments of a City Directory

Your new, improved City Directory is the most complete and comprehensive catalog ever published of the inhabitants, business concerns and institutions of your city. It is much more than just an alphabetical list of names and addresses.

Your City Directory Contains:

1 *The Alphabetical List Of Names* of residents, business and professional concerns is the second major department, printed on white paper. This Directory aims to show the name, marital status, occupation and address of each adult resident, and the name, official personnel, nature and address of each firm and corporation in the community.

2 *A Householders' Directory* including a Street and Avenue Guide. This section lists every street and where intersecting streets appear. It lists numerically every location on each street, naming the householder or business at each number and whether the person is a homeowner or renter and if he has a telephone. Similar information is provided on office and public buildings and their occupants.

3 *A Classified Business Directory* -listing every business, classified as to type, and showing names and addresses. It also lists every profession, club, society and association, hospital and cemetery, labor organization, library, park and playground and school.

4 *A "Yellow Section" or Buyers' Guide,* where the advertiser may explain in greater detail the services or products he has to offer.

5 *A Statistical and Historical Story* of your city; plus miscellaneous other information.
